Instructions:

Complete this requisition form with your Rep to receive your burn credit(s). To receive credit, you must submit a photo of the stove(s) installed and burning in your store. Installation should happen in September, and you must burn the unit for six months. At the end of the heating season (between January 2006 and March 2006), 50% of your cost for the stove will be credited to your account. Burn units are not eligible for other HearthStone sales or promotions. One burn credit allowed per burn unit. Burn unit must burn the full heating season, and must be our most current design. No credits will be issued for older designed stoves.
