

Wood Burning Fireplaces

HWB700OD Outdoor/Indoor Radiant Wood Burning Fireplace

- Bold, 44"W x 27"H x 22" D firebox opening provides a large viewing area to enjoy a warm fire on a cool morning or evening
- Clean face, radiant design allows the appearance of a true masonry fireplace by applying finishing materials (brick, tile, marble, etc.) to the edges of the firebox opening
- All-stainless steel construction provides years of use and corrosion protection from the elements
- Firebox interior offers a beautiful herringbone brick pattern with steel mesh reinforcements for beauty and durability
- For outdoor installations, firebox floor contains a draining system to keep water from pooling inside the firebox
- Uses "L" Series Chimney
- Sturdy nailing flange secures fireplace during installation
- OMNI-Test Laboratories, Inc. design certified

*Heat with
Personality.*
